Hoor SKIRTS .- John M. Robinson & Co. are now manufacturing a large stock for the Spring trade. Their Skirts have attained great popularity, as they use only the very toot tempered watch spring steel, and each hoop is fastened to the tapes by means of a sever loop instead of the ordinary clasp Thus effectually preventing the annoyance o the tapes being constantly cut. Their skirts can be had at all the retail houses throughou he South and West. Sold only at wholesale.

It is astonishing how rapidly a truly valuable medicine comes into general use. is but a little over a year since Dr. John Bu commenced the manufacture of his Compoun Poetoral of Wild Cherry, and now it would b difficult to find a town of any note in the United States where it is not known and used and its wouderful powers acknowledged, and in many instances by physicians themselves.
